

# Wisconsin E-Brief for Title I Focus Schools

An e-newsletter from the Title I and School Support Team

## April 2014

**The third and final Indistar monitoring date for 2013-14 is April 30, 2014.**

Please make sure to update at least three active Indistar objectives by adding a task, updating a task, and/or adding narrative to each. We are asking that your three active Indistar objectives be updated during the month of April, so that they communicate your school's progress for the year.

The DPI requirements for Indistar objectives remain the same:

- If you are an elementary school: One of your active objectives must align to PBIS and one must align to Rtl.
- If you are a middle or high school: One active objective must align to Rtl, one must align to PBIS, and one must align to EWS.
